

MULTI-CHANNEL RESERVATIONS PLATFORM

Streamline sales and bookings for Tour Operators and DMCs

OPERATIONAL FLEXIBILITY

The travel industry is fast-paced with ever-increasing customer demands. For over 25 years, our industry-leading reservations platform, Travel Studio, has constantly evolved to provide a powerful, all-in-one reservations and operations platform built around the needs of tour operators and DMCs.

Stay ahead in a competitive market. Whether crafting bespoke itineraries, managing escorted tours, or expanding multi-channel sales, Travel Studio our fully hosted SaaS solution helps teams work smarter. With real-time inventory management, intelligent automation, and seamless integrations, simplify complex booking processes and focus on delivering outstanding travel experiences. Travel Studio is the perfect solution to **propel our business** to new heights.

Iceland Encounter

WHY CHOOSE TRAVEL STUDIO?

Reduce Costs

Automate bookings, itineraries, and admin tasks

ABOUT US

We understand that no two travel businesses are the same, so our approach is centred on flexibility, efficiency, and personalisation.

At Open Destinations, we believe travel technologies should empower, not complicate. For over two decades, we have been at the forefront of travel tech innovation, providing solutions designed with both operators and travellers in mind.
